

Switch on to green lighting

- Install energy-saving lightbulbs
- Make the most of natural daylight
- Turn the lights off when you leave the room
- Use solar powered lighting for outdoor areas

Lighting your home efficiently supports a brighter future for all

Small changes make a big difference

Estidama, which means 'sustainability' in Arabic, is the initiative which will transform Abu Dhabi into a model of sustainable urbanisation. Its aim is to create more sustainable communities, cities and global enterprises and to balance the four pillars of Estidama: environmental, economic, cultural and social.
